Meeting Agenda

Location: HC group rooms

Date: 23/3 2011

Time: 13:47

Facilitator: Jennifer Panditha

Participants: Jennifer Panditha, Anton Lin, Boel Nelson, Robert Kaufmann

1. Objectives

   Start discussing the RAD, and start writing the documentation for it. Assign different member roles.

2. Reports
None so far.

3. Discussion items

   We need to find a GUI-plugin for Eclipse that everyone can install on their computer. A GUI mockup for the application needs to be created. The RAD needs to be somewhat done by tomorrow.

4. Outcomes and assignments

   The group writes the RAD today, then composes a list of things to do, ranked by priority. Members roles were assigned as following:

   Robert – RAD responsible and code manager

   Anton – SDD responsible

   Boel – Report supervisor

   Jennifer – Project leader

   We will have a meeting every Monday and Friday.

5. Wrap up

   Next meeting is Friday the 25th of March.
